1. **Apologies** – Apology received from Cllr. Filby.
2. **Declarations of interest** – No declarations of interest were received.
3. **Acceptance of Minutes**  
Minutes of the Ordinary Meeting held on 15<sup>th</sup> July 2019 were approved by Council and signed by the Chairman.
4. **Police Report**  
Cllr. Goddard was unable to go to the Priority meeting. However, she is going to ask residents via the Village Facebook page for suggestions as to what they thought Tempsford Priorities should be. She will be going to the Annual Meeting and will report on that at the next meeting.
5. **Public Session.** - members of the public did not want to speak.
6. **Open Spaces.**  
Green Infrastructure funding is still available.  
Planters – A resident gave a presentation regarding her idea of the planters suggested for under the Tempsford signs. Main points: -
  - To have the soil away from the oak posts so design changed slightly to have two planting areas.
  - Keeping planting areas tidy and well planted. The resident said she was happy to keep doing this for 2-3 years, then she suggests someone else takes over. Councillors showed concern about this. It was suggested that a piece was put in the Tempsford Times asking for a volunteer.
  - If it goes ahead, the resident wanted a budget to keep to. The Council suggested not more than £1000. (Cheaper to dig out with a spade and not digger.)
7. **Planning**  
**Station Yard** – A detailed discussion took place with Cllr. Tracey Wye. There is some query as to the actual use of the yard, whether there has been change of use or not. Cllr. Wye and residents have been in contact with CBC (Richard Proctor).  
**The resolution made was that the Council support Station Yard residents and write to CBC.**

**Station Road**- volume of traffic – following on from the above, it was suggested we contact a previous Councillor for advice and information regarding lorries weight size etc permitted to go down Station Road. **Clerk to Action.**

**Footpath – Permissive access Esme/Holme Wood** – The Clerk had received a telephone call from Strutt and Parker, Mr. Robin Clarke asking if we had a licence for the permissive access. She explained about not having all documents from previous Clerk. However, the Clerk had spent some time looking at old Minutes and it seems this was suggested in 1993. Nothing came of it, as Council did not agree with what the estate managers, Smith Wooley wanted at that time. There has always been a sign at the entrance to the wood saying it has Permissive Access, but that seems to have disappeared.

**Roxton Footbridge** – The Clerk had contacted CBC regarding the closing of the footpath through Ouse Farm to the Lock. CBC (Christopher Dorow) said he could take the sign down, but it would be a long time before the work on the Roxton footbridge was finished.

**9. Highways**

White lines still need marking out on the “ski slope” in Church Street. The Chairman regularly contacts CBC regarding any highway problems.

**A428 (“Black Cat” follow up from public Consultation)**– Meeting on 30.9.19. Two representatives from the Parish Council could attend. Cllr. Besant and Cllr. Fraser offered to attend.

**10. CBC Councillor**

Apart from the previous discussion, there was nothing to add for Tempsford. Cllr. Wye said no decision had yet been made for East/West Rail route. There is a Ward Councillor Grant that will become available. Cllr. Wye had a briefing on how it is going to work, but she will notify us about it when she has more information.

**11. Neighbourhood Plan** – The Clerk read out a Report from Andy Bennett: -

“The plan is a good place and currently being reviewed by our external consultants. Next steps: - Review mapping that has been completed by mapping consultant. Clarify with CBC if Strategic Environment Assessment Screening is required. Review and provide feedback on the draft plan. Consult with CBC to get feedback on draft plan prior to it being officially submitted.”
